1	Both (tune: American Authors - Best Day Of My Life)	Woo, oh-oh, oh-oh, oh This is gonna be the best day of my life. Woo, oh-oh, oh-oh, oh My li-i-i-i-i-i-ife
2	Edison	Hello, everyone! My name is Edison. This is Abu. He is a robot.
3	Abu	Hi, I'm Abu. I have a magic spinner, and it can take us anywhere! Let's hit the road!
4	Edison	Wow! This city looks small, but it has everything! Where are we?
6	Abu	We are in Chiayi City! It has a rich history and culture.
7	Edison	I can't wait to explore Chiayi City! What is our first stop?
8.	Abu	Let's go to Beishianhu Park. It's a famous park here! Now, spinner time!
9	Edison	W...Wait! I do want to travel around the city. Maybe we can walk there?
10	Abu	Oh... But I'm too tired to walk. It's faster to use the spinner.
11	Edison	Hey, look! There's a YouBike station! Let's ride there!
12	Abu	But the weather is so hot! I'll pass out in this heat.
13	Edison	Don't worry. There are trees along the biking trail, so we'll feel cool while riding.
14	Abu	Sounds nice! But how can we rent YouBikes?
15	Edison	Let me show you. First, sign up on this website.
16	Abu	Done. What's next?
17	Edison	Then, we use our smart cards to rent bikes at the station.
18	Abu	Sounds like a piece of cake!
19	Both	Let's go to Beisianhu Park by bike!

20	Both 童謠改編版 (Wheels on the Bike)	(ride to Beisianhu Park and sing the song...) <i>The wheels on the bike go round and round, round and round, round and round... all through the park!</i>
21	Edison	Here we are! Wow! Beisianhu Park is so big!
22	Abu	It's one of the biggest parks in Chiayi City. The view once had a beautiful name.
23	Edison	What was it?
24	Abu	Long ago, there was a beautiful lake here. People named the view "Behu Hesian".
25	Edison	What a lovely name. Then what happened?
26	Abu	The lake dried up. (Both sigh...)
27	Edison	So, people made a new lake to look like it?
28	Abu	Yes, you got it.
29	Edison	What else is special about this park?
30	Abu	The trail. It looks like a music symbol. Let's walk on it!
31	Both	(Walk for a while)
32	Edison	Look! There are some ducks near the lake. How cute!
33	Abu	If we're lucky, we may see farmland treefrogs.
34	Edison	I know treefrogs. They're small, with green bodies and white bellies.
35	Abu	Yes, but there are not many of them in Taiwan now. (Sad)
36	Edison	We should protect our environment, so they won't disappear.
37	Abu	You're right. We need to protect our environment!
38	Both (tune:kids for saving earth promise song)	<i>The earth is my home.</i> <i>I promise to keep it healthy and beautiful.</i> <i>I will love the land, the air, the water, and all living creatures!</i>
